

## **Museum of Fire Conditions of Entry**

To ensure a safe museum experience, we kindly ask you to observe the following:

- Use hand-sanitiser on arrival and other points throughout the museum.
- Please always keep 1.5 metres apart from others. Refer to the markings on the floor for your social distancing guidance. We have marked a separate entry and exit to assist our visitors in maintaining a safe distance.
- Wait in a marked queue or go to another area of the museum if a particular space has too many people.
- Cough and sneeze into your elbow or a tissue and dispose of the tissue in a bin. Please use the available hand-sanitiser, as necessary.
- Wash your hands with soap for at least 20 seconds in our restrooms.
- Please do not touch collection items.
- Our Junior Firefighters area has re-opened with limited capacity (maximum 12 people), but some of our interactive displays remain closed.
- Visit our website to download our COVID Safe Plan or ask one of our friendly staff members for a copy.
- Consider downloading the COVIDSafe app.

Thank you for your support.
